Greetings,

Congratulations on coming together to commemorate the Centennial Celebration of the Imperial Iranian Air Force at today's 2024 GALA hosted by The Persian American Civic Action Network (PACAN).

Throughout this momentous event, we aim to pay tribute to the contributions of the Imperial Iranian Air Force who loyally served Iran, and the men and women in uniform who committed to serving our country, both in the past and present. This gala serves as a testament to the achievements of advocacy and community engagement that PACAN and its supporters have embodied and continue to commit to.

Once again, congratulations on this celebration of the resilience, cultural abundance, and shared commitment of values that unite us all. May this celebration bring joy, camaraderie, and pride as we celebrate our Iranian community!

Sincerely,
